Sheer filth, for the readers, from the readers...

SKI FUNDAY

On our last winter holiday, my boyfriend and I shared a ski cabin with three other couples. One day, he went boarding with all the blokes and one of the girls. It was too advanced for me, so I said I'd stick to the easy runs with the two remaining girls, Nancy and Kara.

That was the intention, but Nancy didn't want to leave her bed. Kara and I tried to persuade her to get up, attacking her with pillows. Then Kara grabbed the covers and pulled them right off the bed. Nancy was naked under them. She didn't try to cover up again, just lay there, showing off a very sexy body, daring us to make our next move.

Kara walked out the room, only to return with a bottle of flavoured vodka straight from the freezer. "Fuck skiing!" she said, cracking it open before getting into the bed. Nancy insisted it was a 'naked bed,' so Kara undressed, as did I before joining them. There was a lot of giggling and we drank a few shots, then Kara and Nancy started getting off with each other. Nancy moaned as I nuzzled her neck and ran my hand slowly down her back.

I caressed her cheeks, then explored her crack, my fingers meeting Kara's on her clit. So I dipped them in her hole, fucking them in and out like a cock. Now Kara had her mouth on Nancy's tit and I leaned over her body to suck the other. Nancy was yelping with pleasure so Kara put a couple of wet fingers in her mouth to suck on.

Nancy was humping against us both, but then she spit out the fingers and asked me to eat her arse. We moved around so she was on top of Kara in a sixty-nine, bum tilted upward, ready for me. I started out with her pussy, while Kara fingered her clit. She tasted great but I had an idea. I grabbed the vodka and poured a thin stream of it over her arsehole, running it down over her slit. I jabbed my tongue in and out of her, then moved upward, licking her arsehole as I dripped on a little more vodka.

She was tight yet soft around my tongue tip – I even got a touch of cock envy, wishing I had one to glide up that bum! Instead, I used my fingers and smeared vodka on her clit, giving Kara a little shot before lowering my own head to kiss her.

Nancy was already cumming, streaming with her own natural juice, so we sucked and probed till she deadweighted over Kara's body, a mass of sweat and quivering in every muscle. Kara mimed a blowjob with the vodka bottle, but I had something better to suck on. Often my boyfriend will get back from the slopes feeling horny – he'll pull me into the shower for a fuck. But I've learned to pack a few toys in case he's too exhausted to shag me!

I got my dildo and vibrator from my room, and let Kara

get her lips around the latex. I switched on the vibe and began to use it on my clit, and Nancy asked for it. "You've only just cum!" said Kara, but Nancy didn't want it for herself – she laid me down and began to work it all over my crotch. A few hard, thrusts seemed to prime my clit for more sensation, as she dialled it up to max speed and held it to my button.

"Whoa…" said Kara, watching as I flailed around on the bed, totally losing it. She handed the dildo to Nancy, then got over my face. Nancy ploughed the dildo into me, then it all went dark as Kara dropped her juicy, scented twat onto my mouth. She was frigging her clit hard, so turned on by our girlfriend fucking the hell out of me. A stream of sticky cum juices ran down my throat. Then she kneaded my tits, pinching my nipples, and it all seemed to hit at once – my body convulsed and I screamed into her slit as I came my arse off.

My boyfriend came back looking like some kind of snowbeast, pumped with adrenaline and ready to fuck me. He noticed the well-fucked state of my fanny and asked had I been masturbating, which is when I remembered I'd left my toys in Nancy's room! I waited till the next morning to retrieve them, and by the smell and taste of pussy on them, they'd been creatively used!

Porcelain skin, red hair – we imagine Sabrina gets through a lot of factor 60 on the beach.

"The beach?" she laughs, "I burn up like a frazzle on the beach. It's a good job I live in Devon – the weather is crap most of the year!"

So how about a salon tan?

"I'd rather keep my natural skin tone, thanks, it's served me well when it comes to men. I don't want to attract the kind of men who like spray-tan anyway. I'd rather be sprayed with jizz!"

Mission accomplished...

SCHOOL'S OUT!

A couple of blokes I've gone out with have really got off on the schoolgirl fantasy thing. My last long-term boyfriend Graham was forever asking me to dress up in a uniform for him and I thought it was such a stupid idea. He even brought home a school tie and skirt for me once but I threw it in the wardrobe and I was thankful he never brought up the subject again. I always thought lacy underwear and rubber looked so much sexier and had no idea what a turn on the schoolgirl look would be for me too until I eventually tried it recently.

I'd just split up with Graham and was going through quite a wild spell of indulging my newfound freedom when I met Dan. We got talking in a bar one night when I was out with some mates and it was one of those instant attractions when you just know you're going to end up in bed together. We got on to the subject of sex straight away and Dan looked quite delighted by my openness. I told him how I loved it up the arse and couldn't understand why other girls wouldn't try taking it that way. He didn't need much encouragement to tell me what he was into and said he loved role-playing, especially when he got to be the boss. You can imagine my disappointment when he said the best sex he'd ever had was when he dressed up a girl in a school uniform.

My disappointment must have been fairly apparent because Dan started trying to persuade me that I should give it a go. He said that if I were to take part I'd have to be completely submissive and allow him to be the boss. Normally I like to be the more dominant when it comes to sex but the thought of being spanked and roughly shagged drove me wild. The fact that I hardly even knew this bloke just added to the eroticism of the situation and within minutes we were heading towards my house in a taxi.

When we arrived I left Dan with a beer while I sneaked into the bedroom to dig out the uniform that had been gathering dust for months. I giggled uncontrollably as I fastened the tie around my neck, pulled on a pair of white ankle socks and swapped my G-string for a pair of cotton knickers. I even pulled my long blonde hair into cute bunches and stood back to take a look at myself in the mirror. I'd be lying if I said I wasn't impressed with the result! I immediately felt massively sexy and thanks to the few glasses of wine I'd necked earlier, I'd lost my inhibitions and was ready to play.

Dan's face was a picture when I appeared at the door clutching a book to my chest as if I was wandering to class. Without a seconds hesitation he snapped into teacher mode and ordered me to sit on his knee. "Your homework is late Miss Stoner, you know I won't stand for that," he said strictly. I stifled a giggle as I nodded, trying to look apologetic. But Dan was taking the whole thing really seriously and within a few seconds I found myself playing along. I've always been a bit of a drama queen and I ended up really enjoying acting the schoolgirl. "I'm going to teach you a lesson. If you let me do what I want to I'll up your grades, deal?" I agreed, my heart racing and my pussy throbbing with excitement.

Dan bent me over his knee and roughly hitched up my tight skirt. I could feel his stiff cock poking into my belly as I lay across his groin and I thought I'd burst with anticipation. Dan slowly peeled down my white panties to reveal my peachy arse and he let my knickers hang around my knees as he lifted his hand to spank me. I braced myself for the first slap and when it came the stinging sensation burned my buttocks. I couldn't help yelping but Dan told me there would be plenty more if I didn't lie still.

It must sound really weird but the role-play was making me so aroused and every time Dan spanked my bum my fanny became juicier. I actually got off on being slapped, granted it wasn't too hard, but it was enough to make my curvy bum red raw. Dan's palm seemed to get closer and closer to my pussy and I opened my legs to feel the power of his slaps on my cunt. As I squirmed around on his knee, I suddenly felt his finger thrust hard into my tight little snatch. "There's a good girl, how does it feel to have your teacher's finger in your fanny?" He asked as he began ramming it deep into my sticky hole. His movements were far harder than I'd ever experienced before but this just gave me a bigger kick and I bucked back against his hand. "You're really going to get

it now," Dan whispered, bending down to my ear.

I quivered in anticipation, my buttocks still hot from their harsh treatment. Dan ordered me to lie on the floor to show the teacher my pussy. I did as he said, stepping out of my wet knickers and parting my legs obediently. He stood back for a moment getting an eyeful of my shaven snatch, then tore down his trousers revealing his massive prick. His generous width almost made me feel like a virgin again because I wondered for a second if I could take it all. But I didn't have a chance to think about that for too long because Dan was quickly poised between my legs ready to feed it into me. There was no foreplay, and for once that was fine by me, I was desperate to be roughly fucked until I screamed for mercy.

Dan literally ripped open my white shirt, the buttons flying across the room. I held my breath nervously, but then let it out in a huge moan as Dan grabbed my small tits and squeezed them hard. He groped them firmly as he rammed his cock deep into my wet pussy and began thrusting hard. He forced his dick so far inside me that I could actually feel his heavy balls slapping against my sore buttocks. His sheer force lifted my arse off the floor and as I panted in excitement Dan bent closer to my chest. He took my nipple in his mouth and began chewing it, gently at first then increasingly harder. I love my nipples to be touched but had never felt them handled so roughly and I loved it! As Dan bit hard on my left nipple, I nipped the right one with my fingertips and the sensation was enough to blow my mind.

When Dan saw I was playing with myself he was angry and said that was his job. "You lie still while I fuck you," he demanded and pinned me to the floor by my arms. I felt so fucking dirty, being shagged senseless while dressed in a school uniform, and I absolutely loved being over-powered by a strong stranger. Dan's grip on my arms began to hurt slightly and I tried to wriggle free but he was too powerful and I actually began to enjoy being trapped under his body. He was now grunting loudly with the pleasure flooding through his cock and the sound of his enjoyment added to my own excitement.

I felt Dan's cock grow even stiffer inside me and I realised he was just seconds away from unloading his spunk. Thankfully his thick shaft bumped perfectly against my clit and as I started to come he whispered. "There now, how does that feel?" I whimpered in sheer ecstasy and Dan finished off my orgasm with a couple of extra hard thrusts that brought tears to my eyes.

I hadn't even had a chance to get my breath back when Dan was ready to splash his muck. I expected him to shoot it in my pussy but he had other ideas. Sharply pulling out of my cunt, leaving a stream of juices running down my thighs, he kneeled over my head. Taking his throbbing prick in his hand, he began furiously wanking it over my face. His bell-end was shiny and swollen – desperate to unload its cream. Dan grabbed my head and pulled it closer to his cock, "You swallow all of this mind, or I'll be spanking you again," he managed to order before the first stream of cum squirted into my open mouth. I gulped it down and prepared for more as Dan's wrist shook back and forth. He finished

The last time we spoke to Danika, she was raging to us about how she's sick of every porn film she's in having the word 'Asian' in the title. And, yes, we do agree it does seem a bit dodgy. But then again, lots of people we know love Asian girls, so at least it helps them know where to look. And talking of equal opportunities, there are lots of films with 'black' and 'white' in the title. But does our cool logic calm her down? Actually, it does a little bit.

"Yeah," she says, "maybe I need to concentrate less on that and more on enjoying some cock!"

KAMI

PHOTOGRAPHY: DDF

It's not often you find a girl sniffing her own knickers, especially one as glamorous as Kami. But here she is, caught in the act. What gives?

"Busted!" she laughs. "Actually, I'm just about to send them to a fan who requested them, but I wanted to make sure they were ready for him."

What does that mean?

"Well, I want to make sure they're juicy, so I had a wank with them on, rubbing through the fabric until I came, to make sure they were just right to send out!"

Now that's dedication!

Capri & Shyla

PHOTOGRAPHY: SAGE STYLE

Sometimes, this job is so frickin' easy it's ridiculous. Two cute girls, a massage table – the rest writes itself. And by 'writes itself', we mean Capri Anderson and her friend Shyla fuck the hell out of each other for hours and hours, only stopping when their fingers are aching, their tongues are sore and their sex toy batteries are flat. Trust us, gentlemen, if you're going to go a round or two with this pair, you'd better have the stamina of a marathon runner and a sack full of Viagra.

Electra

PHOTOGRAPHY: AUTOMODELZ

When we told Electra that her name reminded us of a super heroine, we kind of expected her to tell us how much she loved action films and would love to be a crime-fighting bad-ass. Er...

"Oh, fuck that nerd shit," the Aussie babe sighs. "I couldn't be less interested. I wish I didn't have this stupid name because I get that shit all the time. I'm a grown-up, what do I care about Spiderman or whatever?"

Fair enough, but you're Australian. You could have been called Bouncer...

Yes, it would appear that Pumpkin Media have about 8 words that they rearrange in their DVD titles – we're sure *Butt & Busty Fucked* will be out soon – but when it comes to Ronseal Euro action, it's always solid stuff. A couple of our favourite Euro-spending boob sluts are in action here, the wonderful Jasmine Black wrapping her fleshy rack around a cock, smearing cream all over the place, then taking it up the wrong 'un. Jessica More can do no wrong either, while Lucy Love and the catchily-named Klenot repeat the formula. No alarms, no surprises, but good strong action all the same.

Like Sister Like Slut (Digital Playground)

Here we have Riley Steele and Breanne Benson as two very photogenic sisters, with Riley reluctant to share her boyfriend Scott with sis. The lucky bastard gets in the middle of Riley and Jennifer White in the opener, with the blonde and brunette showing themselves to be equals when it comes to removing semen from a bloke's balls. Scott then gets in the middle of Breanne and Kortney Kane, Manuel Ferrara lays the pipe to Monica Santhiago in a pizza takeaway. Brooke Haven juggles two cocks, and there's a foursome to end, with Breanne and Riley swapping boyfriends. Yes, the plot is as dumb as it sounds. Yes, you will still lose your gravy.

Katwoman XXX (Bluebird)

LOOK WHAT THE CAT DRAGGED IN
KATWOMAN XXX

6/10

Bluebird blow some of their budget on a costumed porn parody, although there's little dialogue, few jokes, and the actual theme is thoroughly half-arsed. Still, you're probably more interested in the girls, and here the film delivers, with homegrown cuties like Natasha Marley and Anna Lovato rubbing boobs with US stars like Dylan Ryder, Andy San Dimas and Kagney Linn Karter. On the downside, Paul Chaplin gives himself the plum scenes once again, even though he's less than half the stud that Evan Stone is, and Gemma Massey just looks weird now. For all that, there's still plenty to enjoy here.

Hot Wet Lesbians (Viv Thomas)

8/10

Feeling the need for some glossy lesbian action with a pool and blue skies? Viv Thomas is your man. It's high-end girls galore, with Jo and Vera as pretty a pairing who ever pampered each other's pussy. Blue Angel gets Angelina Wild frothing like the Niagara, before veteran vag-eaters Eve Angel and Sandra Shine bump fannies. Kelly Cat and Cipriana keep up the standard, and we even get a smattering of Brits, Michelle Moist and Shay Hendrix wearing their tongues out. And wearing our cocks out at the same time. Quality.

POUND DOG!

Undoubtedly going down in history as the King of Rock and Roll, Elvis Presley left a mark on this world so deep that even thirty-three years after his death, he still remains one of the most prolific cultural icons to ever grace our world. Cited as one of the originators of a style of music known as Rockabilly, an up-tempo fusion of country and rhythm and blues, Elvis' unique sound is still mimicked in popular music today, as his soul lives on through backbeat percussion and unique musical arrangements.

With an extravagant lifestyle, riddled with excess, drugs, sex, power and women, Elvis' illustrious life easily parlays into an adult production. Who better to put this soulful, yet comical piece together than ace director Axel Braun, the recipient of this year's Best Director-Body of Work award (2011 AVN)? Known the world over for having a deep fascination and respect for 'The King', Braun arrives on the set of

Elvis XXX: A Porn Parody

Starring: Andy San Dimas, Lexi Belle, Codi Carmichael, Jessi Palmer, Asa Akira, Jessica Bangkok, J Jay, Dale DaBone, Alec Knight, James Deen, Tyler Knight, Ron Jeremy (non-sex)

Directed By: Axel Braun

Available From: Axel Braun Productions/Vivid Entertainment Group

His fans says Elvis Presley never died, and he truly lives on the set of the latest porn parody from Vivid and Axel Braun. We go on set to watch the King do his thing...

Elvis XXX: A Porn Parody with a swagger in his step, pork chop sideburns framing his face and a pair of gold-rimmed glasses. Channeling his inner idol, Braun examines the sets with meticulous concentration, inspects the row of colorful beads lining Elvis' infamous white jumpsuit and purrs to the cast and crew in a thick Italian accent, "A Little Less Conversation!"

With that, the lights go down and we are all left in a pitch-dark studio. Suddenly the sound of a spotlight is heard overhead. The anticipation and thrill for what's to come is palpable to everyone huddled together. As the light finally penetrates through the dark space, it shines brightly over Elvis (played by Dale DaBone). Choreographed on stage in the pristine white jumpsuit, a cool karate stance, and a silver microphone in his hand, it's as though Braun has sold his soul to the devil in exchange for the reincarnated Elvis Presley to grace his production! As gasps and laughter fill the space, the musical track is pressed and Elvis begins to sing, "I'm stuck in your crack. I won't pull out. I want to fuck you so hard baby." Dancing and singing on the sidelines, along with Elvis, Axel Braun claps his hands together and pumps his fists in an exaggerated manner. Day 1 has officially begun!

After the brief concert that gets everybody 'all shook up', J Jay, a relatively new actor makes his way onto a musical stage setting. Playing the role of young Elvis, J Jay remarkably looks the part, even down to his piercing blue eyes. Sporting slicked back hair, a sleek bravado, and a tan suit that is very reminiscent of the 1960's, we are

immediately catapulted back in time. The year is 1968 and Elvis Presley in on stage rehearsing a song that is to be featured in his upcoming movie with Ann Margaret (Lexi Belle). Dressed in black tights and an orange sweater, Ann Margaret sways her hips and sexily dances to the upbeat tempo as Elvis sings just for her. When the song ends, she wraps her hands around Elvis' neck and begins kissing his lips. Sinking his hands into her thick red hair, Elvis leans her backward to stick his tongue down her throat.

"I want to suck you so hard," Ann Margaret teases, yanking his tan trousers down, causing his cock to bounce against her forehead. Holding his dick in place like a microphone, Elvis sets it up in front of Ann Margaret's face and whispers in a seductive Southern drawl, "love me tender." From here, she sucks, strokes and spits on his cock like a rabid beast, strumming his cock as if she's plucking guitar strings!

Once he's had enough of her tongue, he rests her on the stage, rips her stocking apart with his bare hands and licks up her juicy pussy lips. Squealing like a piglet, Ann Margaret's skin transforms into comical shades of hot pink before climaxing all over his face. With a chin dripping with pussy pulp, Elvis is seemingly lost in emotion! He continues ploughing her pussy in missionary position and in a well-crafted doggie squat before giving her a taste of his homemade country gravy. It's a terrific opening scene!

Next, in a cameo appearance – and there are several – Ron Jeremy, playing the role of Melvis Presley, Elvis' sleazy cousin twice removed, talks about introducing Elvis to Natalie Wood (Jessi Palmer) and James Dean (James Deen). Immediately taking a shining to the handsome crooner, Natalie arranges for the two to appear in a motion picture together. Excited by this new arrangement and by her sexy new pal, Natalie decides to celebrate her accomplishment by blowing James Dean. She wraps her tongue around his cock like a bacon wrapped hotdog, painting lipstick rings around his shaft. Taking him down her gullet with minimal effort, Natalie proves that her oral skills are just as impressive as her acting chops.

"Spread me open and fuck me hard," she chugs, obviously in control of the situation. Easily slipping his cock between her thin thighs, James gets right to work in spoon position. Hooking the bend in her leg with her arm, Natalie pulls herself wide open so the camera has an unobstructed view of her strawberry blonde muff being mauled. Giggling and cooing, Natalie arranges herself into three more positions before working backwards to take it all over again up her asshole. We like her style!

As the story continues, Elvis meets Priscilla (Andy San Dimas), as we are catapulted back to their wedding night. Vowing to save her virginity until marriage, Priscilla has been longing for Elvis to love her tender. "I've waited to fuck you for ten years," Priscilla growls, throwing herself on top of him, wedding dress and all. In a playful struggle for dominance, Elvis (J Jay) wins out, pulling Priscilla's legs open like a vice to lick her soggy center. "You taste better than fried peanut butter and banana sandwiches," he mouths, smacking his

lips as her gooey paste cements his mouth together like glue.

After several minutes of raw vaginal dining, Priscilla switches places and bestows the same expert treatment upon Elvis. Once they've had their fill, Elvis rolls Priscilla onto her stomach, arches her butt up and throws down some jailhouse cock! Bucking her body backwards, Andy solidly connects with each thrust of her husband's hips. She later carves her nails into the bed sheets until audible scratching sounds can be heard loud and clear. "Your cock feels so right," she continues, rolling over onto her back to look Elvis in the eyes as he enters her body in missionary position. Wrapping her legs around his waist, Priscilla is swept away in this moment of pleasure, revealing a very tender side to this legendary character.

Just as she begins to weep with love and adoration, Elvis turns her head over heels to finish her off in piledriver. "Nothing says 'I love you' like fucking your new bride in piledriver," Braun jokes, as the dynamic duo

“THE GIRLS FALL TO THEIR KNEES AND START BLOWING THE CHAMP”

continue to grind. Fucking her hard, Elvis doesn’t stop until he churns out another buttery blast from his new queen. Once she’s finished, he pulls out and douses his little lady with hunks of his burning love!

As time moves on, Dale DaBone takes over, reprising his role as the older Elvis Presley. With Asa Akira and Jessica Bangkok in toe, they enter the boxing studio where Muhammad Ali (Tyler Knight) is busy sparring for his next big fight. Offering the girls to his pal as a consolation prize, Elvis says to the ladies, “Why don’t you break him off a big ol’ piece of that pussy!” Intrigued by this generous offer, the girls enter the ring, fall to their knees and begin blowing the champ. “Give them a bit of that Mississippi mud snake,” Elvis interjects, leaving the trio alone to become better acquainted with one another. Getting back to business, Asa wrangles his snake down her neck while Jessica curves her Asian tongue around his chocolate balls. “Switch places,” he later requests, as the girls happily oblige.

Without the need for direction, Asa bends over and coaxes the boxer to bang her pussy from behind. Jumping at the opportunity, Muhammad floats like a butterfly and pokes her spicy wonton with his stinger. Jessica licks up the sex drip before jumping on his lap to continue their training session in reverse cowgirl. “Ride the bull, baby,” Muhammad moans, smacking her hips as she rides his pony up and down. After a few more positions for each, Muhammad pulls out and shakes his mocha froth across both mouths. With a monster pop to show for his effort, the Oriental angels happily swap his slop from mouth to mouth, as the legendary boxer leans on the ropes for a ‘rope-a-dope’ session to watch.

In the final scene, Elvis (Dale DaBone) teams up with his trusted driver, Alec Knight, to fluff the skirt of Marilyn Monroe (Codi Carmichael). Eager to suck the king’s cock, Marilyn gives most of her attention to Elvis. In an attempt to level out the playing field, he unlatches her mouth grip from his stick and places it on Alec’s anchor. “Don’t be cruel,” he spits, making sure Marilyn gets his point loud and clear.

With the message well received, Marilyn divides her attention equally between both men by sucking and blowing their bat and balls. Eventually coming up with red lipstick stains from ear to ear, it becomes quite obvious that the men have made excellent use of her perfect mouth. “I love sucking cock,” she spouts, pulling down her panties, ready to turn up the heat.

With minimal direction required, Marilyn takes a seat on Alec’s cock in reverse cowgirl, exposing her set of perfect tits to the camera. From this point on, Marilyn sways up and down, running her fingers through her blonde hair as she’s power plugged from underneath.

Continuously shown with a cock in her mouth, the men rearrange her into a slew of hot positions that leave her pussy plump, soggy and swollen before they’re through. Shining the brightest when mixing middles with Elvis in spoon position, Marilyn has never looked better!

The movie ends here with another original song streaming in the background. With the overwhelming love for Elvis Presley permeating the space, the cast and crew take a brief moment to recognize the good ol’ boy from Mississippi who had the voice of an angel and a musical style that changed the world. Forever known as the ‘King of Rock and Roll’, it goes without question that the world loved Elvis until the very end… and apparently, they still do!

off over my face, my cheeks and chin covered in his gooey mess. My pigtails were even sticky by the end of the session. Needless to say, Dan and I have night classes quite regularly now – but we've moved onto the gym kit!

ARSEFUCK ANNIE

My girlfriend Annie is cute and sweet – and a total cum-slut! She'll do anything in bed – or anywhere else, come to that! A few nights ago Annie gave me the ride of my life. We'd been out for a few drinks, which always gets her feeling horny. Sure enough, the moment we got back to her flat, she pressed me against the wall and kissed me hard, her hands roaming over my chest and down to my crotch, where she located my cock. She squatted down in front of me, her busy hands working on my belt and fly until my jeans were around my ankles and my fat prick was twitching in front of her face. I could feel her hot breath on my shaft as she ran her tongue up and down it, then she folded her fingers around my meat and cupped my heavy balls with her other hand.

"Mmmm, nice and full," she said as she massaged them gently, then dipped her head towards my rapidly thickening dick, sliding her lips around the head and lapping it with her soft, wet tongue. She slowly wanked her fist along the length of my cock, slurping and slobbering on the fat, engorged head, which began to leak sticky drops of pre-cum onto her tongue. She pumped me faster until, taking my cock out of her mouth long enough to order, "Give me the cum, baby," she began to massage my arsehole with a finger. This sent me over the edge, and as I felt my orgasm begin, Annie stuck her finger in my arse as she jerked me into her thirsty mouth. As I fucked her face, thick spurts of spuzz jetted from my cock; so much that it ran from the sides of her mouth, soaking my shaft and dripping onto her blouse.

After milking the juice from my cock, Annie stood up, saying, "I'm not through with you yet." Then she led me by my still-erect prick to the bedroom, where she quickly undressed, climbed onto the bed and got on her hands and knees, waggling her arse in the air. She reached around to gently run a finger down the crack of her bum, teasing her bunghole, then spreading her arse cheeks and cunt lips apart.

"Anything back there you want to fuck?" she asked over her shoulder. Kneeling down behind her, I put the head of my knob against her dribbling pussy. I pushed slowly forward until the whole of my tool was inside her. Her cunt dripped as I pulled back, covering my pulsing hard-on in her juices. I began to drill her soft, wet twat with increasing speed, her cunt making greedy sucking noises as it squeezed my rock-hard prick with every stroke. Reaching underneath her, Annie began to play with my balls as I pounded her pussy harder and harder. She let out a wail as her orgasm ripped through her body, and cum gushed from her slit, soaking my shaft and balls. Then, "Stick it in my arse!" she begged.

I knew she'd get around to this sooner or later. I pulled my dick out of her sopping fanny and placed it at the entrance to her tight arsehole. Pushing back against me, Annie breathed in sharply as the bulging head of my rigid cock slid smoothly into her arse. I was so covered in her pussy juice that I had no problem sliding in and out of her arse.

The feeling was incredible as she fucked back and forth on my cock, my balls banging against her cunt lips. Burying her face in the pillow, Annie reached around to pull her arse wide

apart. “Fuck that arse! Fuck it with your big prick!” she shouted. I began to ram my fuckstick into and out of her bum, making her grunt with each thrust. She reached under and played with her clit and then stuck two fingers into her cunt, driving them in and out in time to my strokes. She came again, shuddering as wave upon wave of pleasure rippled through her. I could feel my own orgasm building again.

“Here it comes!” I grunted. I pulled my cock from her arse and she spun around and grasped the shaft, jerking thick ropes of creamy cum from my balls onto her heavy tits. I suppose I’m quite a lucky bloke!

It's like an Aussie takeover this month, what with Electra (page 54) and these two. Who's next? Plain Jane Superbrain?

"Christ, you Brits love *Neighbours* more than we do," says top Aussie porn star Kiki. "I can't appear in a magazine in the UK without some reference to it, or Kylie, or *Home and Away* or *Prisoner Cell Block H*. You know, there's a lot more to Australian culture than just those crappy shows."

Yes, we know. There's also Paul Hogan...
